## Equipment Set-up

- ★ EZ-ups (18-20)
- Tables
- Chairs

These are approximate numbers. See equipment list for more detail. Map just gives guidance for object placement.

Since non-JSSL vendors and concessions will be outside the Avery gate, at setup time, leave tables, chairs and EZ-ups just inside the gate. In the morning prior to meet start time, get tables, chairs and EZ-ups for vendors and concessions setup if needed.

Day worker lunch area is in the breezeway/stairway beneath the bleachers on the west side of the pool deck
